

How to Find a Moving Day Event

1. Go to www.movingdaywalk.org
2. Select either the 'Register' button in the navigation or enter a zip code, city or state in the 'Find Your Walk' search tool, located next to the 'Let's Get Moving!' Graphic.

3. You will then be taken to the events list page. If you selected the 'Register' button, all live events will display in date order. If you used the 'Find Your Walk' search tool, the results of the search you entered will display.

4. The example above displays the results returned using a search for events in 'FL'. From your results select the blue 'Learn More' button under the event you are interested in. You will then be taken to that events home page.
