Donating through the Moving Day homepage

Option 1

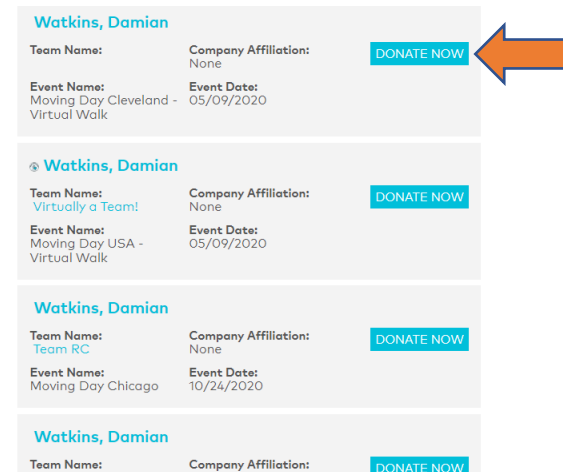

1. Go to <https://movingdaywalk.org/>
2. Select the 'Donate' button at the top.

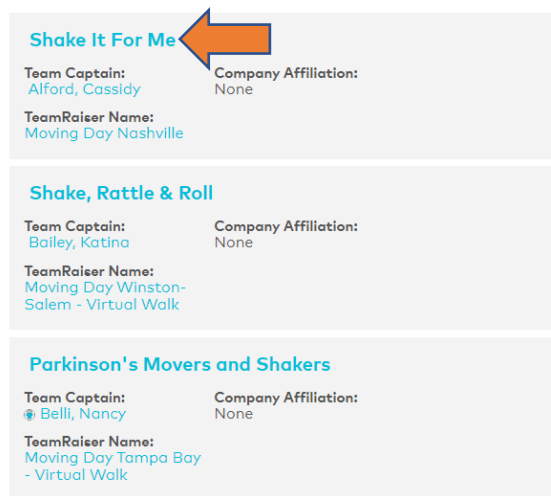

3. If you want to donate to the Moving Day program in general, not to a specific walk or person, click on the 'you can make a general donation' link. If you want to donate to a registered participant, please use the search tool and click the 'Donate Now' listed with their name. When you search for a participant it will show you all the events that they are currently registered for and when you search for a team it will show you the team and team captain information.

Example - Team Search Results:

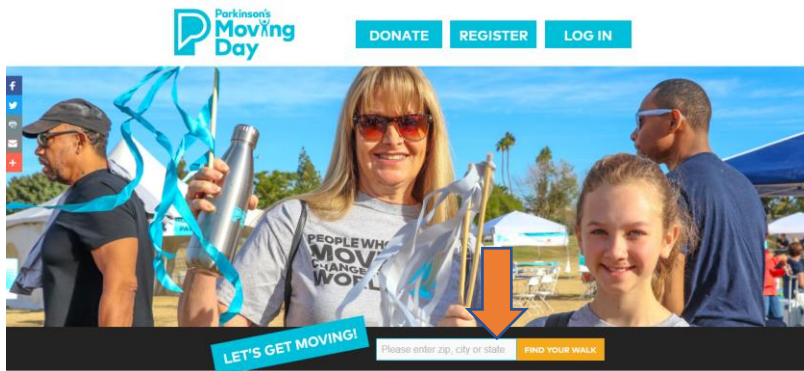

Note: If you would like to donate to a team and not a specific team member please get in touch with your local Moving Day staff partner.

Once you have followed all these steps and have selected the donate button, you will be taken to the donation form (see page 7).

Option 2

1. You can also donate by searching for your event through the homepage. In the 'Find Your Walk' search tool, located next to the 'Let's Get Moving!' Graphic enter a zip code, city, or state.

2. You will then be taken to the events list page where the results based on your search, will be displayed.

3. The adjacent example shows the results returned using a search for events in 'Florida'. From your results select the 'Donate' button under the event you are interested in. You will then be taken to the donation page for that event.
