Donating through the Moving Day homepage

Option 1
1. Go to https://movingdaywalk.org/
2. Select the ‘Donate’ button at the top.

3. If you want to donate to the Moving Day program in general, not to a specific walk or person, click on the ‘you can make a general donation’ link. If you want to donate to a registered participant, please use the search tool and click the ‘Donate Now’ listed with their name. When you search for a participant it will show you all the events that they are currently registered for and when you search for a team it will show you the team and team captain information.

Note: If you would like to donate to a team and not a specific team member please get in touch with your local Moving Day staff partner.

Once you have followed all these steps and have selected the donate button, you will be taken to the donation form (see page 7).
1. You can also donate by searching for your event through the homepage. In the ‘Find Your Walk’ search tool, located next to the ‘Let’s Get Moving!’ Graphic enter a zip code, city, or state.

2. You will then be taken to the events list page where the results based on your search, will be displayed.

3. The adjacent example shows the results returned using a search for events in ‘Florida’. From your results select the ‘Donate’ button under the event you are interested in. You will then be taken to the donation page for that event.

4. On this page, you can either select a registered participant of that walk by using the ‘Search for a participant’ tool or you can donate to the event via the ‘Click here’ link that follows the ‘Want to give a general donation to Moving Day?’ text. When you search for a participant the returned results will display everybody that is registered in that event with that name and, if they are part of a team, the team’s name.
When you search for a team, using the ‘Search for a team’ tool, the search results will display, and each result will have a link on the ‘team name’. Click the link to be directed to the team page you want.

Once on the team page scroll down to the team roster at the bottom (or click the ‘View Team Roster’ button in the right column). From the roster, find the participant you wish to support and click the ‘Donate’ link in the right column.

Note: If you would like to donate to a team and not a specific team member please get in touch with your local Moving Day staff partner.

Once you have followed all these steps and have selected the donate button, you will be taken to the donation form (see page 7).
Donating through a specific Moving Day event page

1. Go to your event by typing in the specific URL, i.e. https://movingdaytampabay.org/ or you can find your event via https://movingdaywalk.org/events/

2. Select the ‘Donate’ button at the top or below the amount raised by the event. You can also search for a team or participant and donate to them using the search tool below the event details.

3. If you click on the ‘Donate’ button, you will be taken to the ‘Search For a Participant’ page where you can either donate to a registered participant of that walk by using the search tool (from the search results select the ‘Donate Now’ button next to the participants name), or donate to the event, by clicking on the ‘Click here’ link that follows the question ‘Want to give a general donation to Moving Day?’

4. If you search for a participant from the event homepage, you will be able to donate directly to them by selecting the ‘Donate Now’ button next to their name in the search results.

If you search for a team, from your results, click on the appropriate team name to be taken to the team page.
5. Now on the team page, scroll down to the Team Roster at the bottom (or click the ‘View Team Roster’ button in the right column) and click ‘Donate’ next to the specific participant you wish to support.
