Parkinson's Foundation:
By The Numbers - State Impact

NEW JERSEY

In the last five years, the Parkinson's Foundation has invested $118,500 in research, better care, and education + empowerment for the New Jersey Parkinson's disease (PD) community.

Improving Care

- Trained 1,030 health professional
- Offered help through 2,710 calls to our Helpline
- Distributed 14,860 free publications in English and Spanish

Treated 193,500 people nationally at our Centers of Excellence

115 people enrolled in NJ in the Parkinson's Outcomes Project, the largest clinical study of PD

Research

- 3 researchers received grants totaling $59,000
- 25 research advocates paired with scientists to make research more effective

Education and Empowerment

- 930 Aware in Care kits prepared people for the hospital
- 540 people participated in educational programs
- 535 people received free services through 5 community grants totaling $59,500
- 1,020 people walked for Parkinson's and raised $238,700 through Moving Day

21,900 people with PD in New Jersey

which equals $1.1 billion in expenses for all those affected by PD in NJ

The Parkinson's Foundation makes life better for people with PD by improving care and advancing research toward a cure. In everything we do, we build on the energy, experience and passion of our global Parkinson's community.
