## Q & A

### **Q. What will the Drive-Thru Event be like?**

*Drive through a route decorated with engaging Parkinson's themed visuals, and stop to interact at a variety of fun stations. Enjoy music from local performers [Sarah Morris](#), [Katy Vernon](#), and [The Squires Band](#), as well as an art demonstration from local muralist [Yuya Negishi](#). Plus, receive exclusive prizes and swag!*

### **Q. Will the event be safe?**

*We are closely following all CDC and MN Health Department guidelines. Our official safety plan will be available before and at the event. All of our volunteers will have received a health-screening and will be wearing protective equipment. Social distancing practices and frequent sanitation will be in use.*

### **Q. Will I need to wear a mask?**

*Since there will be multiple opportunities to receive fun prizes and interact through the windows of your vehicle, the MN Health Department requires that all attendees and volunteers wear a mask at all times.*

### **Q. Will I be able to get out of my vehicle?**

*At this time the MN Health Department requires that all participants stay in their vehicles at all times except to use the restroom. We have been consulting with event specialists from across the country to provide a wide-range of safe, fun, and engaging activities available from the comfort of your vehicle!*

### **Q. Will there be an actual "Walk" this year?**

*Brand-new for 2021, we are offering accessible Exercise Challenges and Parkinson's Walk Routes available for you to checkout at your convenience! Log your activities and steps through the [Moving Day App](#) to earn fun prizes! [LEARN MORE HERE!](#)*

### **Q. Can I volunteer?**

*YES! Head to our [Volunteer Signup Page](#) to register for a shift now!*

### **Q. Can I bring my dog?**

*For the safety of your pet, as well as our volunteers and performers, we ask that you leave your furry friends at home.*

# Drive-Thru Event F.A.Q.

## **Q. Is there a cost to attend?**

*While there is no cost to attend, we do ask that everyone in your vehicle register at [MovingDayTwinCities.org](https://MovingDayTwinCities.org) to show your support, complete our event waiver, and track fundraising rewards. We highly encourage you to fundraise and donate to help support our Parkinson's Community!*

## **Q. Can I make a donation at the Drive-Thru?**

*Yes! We will be able to accept cash and check donations at the event. To make a credit card donation, you can always head to [MovingDayTwinCities.org](https://MovingDayTwinCities.org).*

## **Q. If Covid-19 has calmed down, will we move to a traditional walk?**

*As of April 2021, MN State Guidelines allow us to run a Drive-Thru Event, but not a full in-person event. Preparing for Moving Day each year takes thousands of hours of staff and volunteer time. Even if those restrictions are lifted, we will not be able to change course. We look forward to seeing you out in-person for Moving Day Twin Cities 2022!!!*

## **Q. How will fundraising rewards work this year?**

*You can earn rewards for fundraising just like previous years! Our rewards deadline is May 1, so make sure to get moving now! Rewards will be available for pickup at the Moving Day Drive-Thru Event. For those who are not able to attend, other opportunities will be made available after the event. [LEARN MORE HERE!](#)*

## **Q. Can I still take part in Moving Day Twin Cities if I can't attend the Drive-Thru Event?**

*Yes! We have multiple ways to get involved this year. Checkout our [New Exercise Challenges](#) to earn rewards for getting out and moving! You can also join us for our new Interactive Virtual Moving Day com on May 22. Just head to [MovingDayTwinCities.org](https://MovingDayTwinCities.org) at noon on May 22 (or anytime after) to check it out!*

## **Q. I've heard that there will be PDGENERation Genetic Testing at the event, how do I sign up?**

*If you are interested please sign up for one of the "Drive-Thru+ PDGENE" options on the Eventbrite Signup Page. You will be contacted by one of our staff members to complete additional required paperwork. At this time we are only able to provide free testing for individuals diagnosed with PD, though hope to include family members in the future. If all slots have been filled, you can still sign up to have a testing kit delivered to your home. To learn more head to [Parkinson.org/PDGENERation](https://Parkinson.org/PDGENERation)*
