The Parkinson’s Foundation has an important mission — to make life better for people with Parkinson’s disease (PD) by improving care and advancing research toward a cure. Working with passionate, determined people like you is how we’re going to do it.

What is Moving Day?

Moving Day, A Walk for Parkinson’s, is a powerful, fun and inspiring event that raises awareness and funds to beat Parkinson’s. Whether in person or from home, people across the country come together to be a part of this movement for change. This family-friendly event features PD-friendly exercise demonstrations, information booths, our signature We Move Ceremony and of course, the Moving Day walk. It is a day to move, a day to move others, a day that moves YOU!

You can help make a real difference.

With every dollar you raise, you help the Parkinson’s Foundation provide life-changing support to people living with PD and their caregivers in your community. With your support the Parkinson’s Foundation is able to fund programs that keep our communities connected in this potentially-isolating time, invest in cutting-edge scientific initiatives and provide community grants that address the unmet needs in the Parkinson’s community.

Thank you starting a team for Moving Day. As a team captain, we value your leadership in this important role. At Moving Day, you are a powerful force in the fight to end Parkinson's disease. With your leadership, your team can demonstrate team spirit, celebrate your fundraising success and bring awareness around a disease that affects too many people.

In order to make the most out of your Moving Day experience as a team captain, follow these easy steps:

1. **RECRUIT TEAM MEMBERS.** Family, friends, co-workers, neighbors — anyone who is passionate about making life better for people with Parkinson's belongs on your team.

2. **SET FUNDRAISING GOALS.** Think about team members’ skills and come up with a goal that's attainable, but will also push people to raise more.

3. **GET ORGANIZED.** Discuss what each team member needs to do to reach your team fundraising goal. Start a group text or Facebook group to stay in touch with each other.

4. **START FUNDRAISING.** Make a personal donation toward your fundraising efforts and then get others to do the same.

5. **HAVE FUN AND CELEBRATE!** Make fundraising for the Parkinson's Foundation fun and celebrate every milestone along the way.

This Team Captain Handbook will provide the essential tools you need to be a successful team captain.
GET SUPPORT

☐ Set up a call or e-meet with your Moving Day staff partner who can help you build and manage your Moving Day team.

GET THE WORD OUT

☐ Sign up team members from your previous Moving Day team as well as recruit new ones. Encourage team members to invite their family and friends to sign up as well.

☐ Use your Moving Day Participant Center message tools and the Parkinson’s Moving Day App (see Page 6) to recruit team members and encourage support.

☐ Attend local community events (where permitted) with your team, wear your team shirts and talk about Parkinson’s disease and how people in your community can get involved.

MOTIVATE

☐ Remind your team members why the team is raising money: to make life better for people with Parkinson’s disease.

☐ Organize a team challenge that incentivizes team members for recruiting their family and friends to join the team.

USE SOCIAL MEDIA

☐ Boost visibility and get people interested by posting on social media. Use pictures with your messages whenever possible. People are more likely to read a post with a photo.

☐ Use the social media pre-written recruitment message templates we created for you. Look for them in your Participant Center or the Parkinson’s Moving Day App.

GET COMPANY SUPPORT

☐ Ask your boss to send out an endorsement email announcing that he/she is participating (or supporting your team) and asking others to join the team. Include a note about matching gifts, if your company participates.

☐ Work with your staff partner to plan an in-house or virtual rally or kickoff. If you are organizing a friends and family team, consider a socially distant get-together.

BUILD TEAM SPIRIT

☐ Make a team sign or banner to walk with whether you are attending an in-person Moving Day event or moving for Parkinson’s from home.

☐ Encourage all team members to wear something similar to show team spirit on Moving Day.
INDIVIDUAL

A quick and easy way to get your fundraising underway is to start a Facebook Fundraiser (see Page 9). We know you are not in it for the rewards, but when you fundraise for Moving Day you become eligible to receive them. All participants that raise $100 or more will receive an exclusive Moving Day T-shirt. To see additional fundraising rewards go to Page 7.

TEAM

Team fundraising events can include virtual or in-person game nights, yard sales, socially distant movie night, a talent show, etc. Invite your family, friends, co-workers and neighbors to join in your fundraising efforts. Encourage them to spread the word to their circle of family and friends.

ONLINE

Online fundraising is one of the most popular ways to raise money. Share your story—your reason to help beat Parkinson’s—on Facebook, Twitter, LinkedIn and other social channels in order to maximize your fundraising reach. Set up a Facebook Fundraiser (see Page 9) or send emails. Use the pre-written emails available in your Participant Center, Parkinson’s Moving Day App or draft your own. On average, one in five fundraising emails will result in a donation.

The internet and our smartphones make fundraising incredibly easy! There are a variety of effective ways to raise funds using the Moving Day website, the Parkinson's Moving Day App and social media.

**FIVE-MINUTE FUNDRAISING**

- Take five minutes to update your team and personal fundraising webpages. Include your reason for participating in Moving Day. Tell those who visit your page why your involvement is so important to you.

- Spend five minutes sending an email to everyone in your address book. The Moving Day Participant Center and the Parkinson’s Moving Day App have email templates you can use or customize yourself. Participants who send emails from their Participant Center or the app raise on average six times more than those who don’t use these tools. Ask your team members to do the same.

**HAVE FUN WITH SOCIAL MEDIA**

- Use silly photos, memes, etc. to get creative with your fundraising through social media.

- Upload a short video on your social media pages via the Parkinson’s Moving Day App that tells viewers why you are taking part in Moving Day and how they could help you reach your fundraising goal. The app will automatically include a link to your fundraising page.
Facebook Fundraiser Makes Raising Money Easier!

Facebook Fundraiser makes it easy for you to raise money and awareness for the Parkinson’s Foundation. This new fundraising tool will help you spread the word about your Moving Day fundraiser and track your progress right on Facebook. Your friends and family can easily donate, and you can quickly send updates on your fundraising progress. All the money you raise on Facebook will automatically be counted toward your Moving Day personal fundraising goal.

Here’s how in 5 easy steps.

1. Log in to your Moving Day Participant Center and click on the “Fundraise on Facebook” button in the Raise More Money with Facebook box.

2. You’ll be redirected to Facebook. Log in to Facebook. A pop-up window will appear that states Parkinson’s Foundation will receive your public profile. Click “Continue as Your Name.”

3. An additional pop-up window will appear that states Parkinson’s Foundation would like to manage your fundraiser. Click “OK.”

4. Either you’ll be brought to your Facebook Fundraiser or you will be prompted to go to your Facebook Fundraiser from your Participant Center.

5. Promote your Facebook Fundraiser by sharing or inviting people to your fundraiser to start getting donations!

For more information about fundraising with Facebook and donations made through Facebook, go to: MovingDayWalk.org/facebook-fundraiser-tool.
The most effective way to raise money for Moving Day is to ...ASK! Have fun with fundraising and get creative. To raise $100 you can simply ask 10 of your friends for $10 each or try any of these tried and true ways to hit your personal fundraising goal.

1. **LAUNCH A FACEBOOK FUNDRAISER** from the Parkinson’s Moving Day app or your Participant Center.

2. **EMAIL YOUR FRIENDS AND FAMILY.** Send emails to everyone you know using your Participant Center or Parkinson’s Moving Day App. Use one of the pre-written email templates (or create your own), track results and follow up.

3. **THE MIGHTY PEN.** Try mailing a letter to friends, family, co-workers and neighbors asking for their support. Let them know why you are raising money. If you have a personal connection, share your story. Don’t forget to send a thank you note to people who donate.

4. **ONE-A-DAY.** Each day ask a different person to make a contribution. If you get four $25 gifts, you will have raised $100 in less than a week. Did you know the main reason people don’t donate is because they were never asked?

5. **EXERCISE FOR DONATIONS.** Offer to run a mile or exercise for 30 minutes for each online donation you receive.

6. **ONLINE YARD SALE.** Clean out your home or garage and hold an online yard sale. Instead of asking them to pay for the items, ask them to make a donation towards your Moving Day fundraising efforts.

7. **POST IT.** Use your Participant Center or Parkinson’s Moving Day App to post on Facebook, Twitter, LinkedIn or other social media channels. Ask if you can promote Moving Day in your company bulletin board or in the newsletter at your church or temple, in the office, at the gym or at your school.

8. **THINK ABOUT THE FRIENDS YOU HAVE DONATED TO.** It’s their turn to support you. Reach out to them.

9. **TALK IT UP.** Ask for a few minutes on the agenda of any meetings you attend. Explain why you are participating in Moving Day and ask for everyone’s support. Even small contributions will push you towards your fundraising goal.

10. **CELEBRATE.** Tell your family and friends that in lieu of a traditional gift for your birthday or anniversary, you would like them to make a donation to Moving Day. You’ll feel good...and they will, too!

11. **DON’T MISS AN OPPORTUNITY.** Change the recording on your voicemail to mention Moving Day and how callers can make a donation. Then, when they call back, ask them to support you with a contribution. Ask for support in your signature line on emails you send out. Be sure to include your fundraising page link, so it will be easy for them to donate.
Team fundraising can be a great way to raise a lot of money at once. It is also a great opportunity to build comradery with your team and show them how to have fun while FUNdraising!

**PHYSICALLY DISTANT TEAM FUNDRAISING IDEAS**

- Think of something your team members enjoy doing. Can you think of a way to make it a fundraiser? Host a virtual bingo, virtual exercise class or Zoom any type of event and ask for donations to participate.

- Rent the latest box office hit and host an outdoor movie night. Ask for donations to attend. Offer drinks and popcorn for an extra donation.

- Host an online auction (follow state laws). Collect items from team members and auction them off for a donation to your team.

- Start a T-shirt fundraiser! Have custom team T-shirts made and sell them to family and friends for $5 or more than what you paid for them. The net proceeds will go toward your team fundraising goal.

**HOW TO DO IT RIGHT**

- Make sure your fundraiser is well publicized (like integrating your page to your Facebook!) and fun.

- Never forget to say thank you to those who donated and to the team members who helped organize the fundraiser.

**WHAT NOT TO DO**

- Don’t do it all yourself. Assign team members to help with invitations, food, etc.
WHAT IF THEY SAY NO?
If someone says no, don’t take it personally. Continue to ask others as you never know who has been touched with Parkinson’s disease.

I FEEL UNCOMFORTABLE ASKING FOR MONEY.
Although asking a stranger or even a friend for money may feel unnatural, think about how their support can contribute to the fight to end Parkinson’s. It’s estimated that one million Americans are living with Parkinson’s disease. The donor’s contribution can make a difference in the life of people living with this disease.

EVERYONE I KNOW IS STRAPPED FOR CASH.
The beauty of Moving Day is that there are many ways to give. If someone you ask is unable to make a monetary donation, ask them to help in another way. For example, they can donate an item for your online yard sale, provide drinks for your physically distant outdoor movie night or help you spread the word about your fundraising efforts on their social media pages.

$100 IS A LOT OF MONEY. I DON’T THINK I CAN DO IT.
It’s easy to raise $100 if you break it down into small chunks. Give your team plenty of ideas to help inspire them to raise $100 or more.
