What is Moving Day?

Moving Day is an inspiring and empowering annual fundraising walk event that unites people living with Parkinson's Disease (PD), their care partners, and loved ones around the country to fight Parkinson's disease. It is more than just a walk. It is a celebration of movement – proven to help manage Parkinson's symptoms. What does it mean to be a corporate team?

Who should be invited to join the team?

Everyone! While the team is likely to be made up primarily with staff members, it's not limited to employees only. Inviting other community members to join your team is an excellent way to engage them in a cause your organization cares about.

Below are some suggestions of who to invite:

- **Senior Leadership** – Having your company leaders participate sets an excellent example and will encourage others to join.
- **Employees** – Invite your whole staff to participate to build team culture.
- **Friends and Family** – Don't limit the team to just employees! Include your team members' families and friends. Moving Day is appropriate for all ages and abilities.
- **Clients/Customers** – Engage your customers in a meaningful way outside of your day-to-day business.
- **Business Partners/Vendors** – Extend an invitation to your vendors and any other businesses you work with to strengthen your partnership.
